This endorsement modifies such insurance as is afforded by the provisions of the:

PHYSICIANS, SURGEONS AND DENTISTS PROFESSIONAL
LIABILITY INSURANCE POLICY (CLAIMS MADE)

It is agreed that the **Section IX. Automatic Extended Reporting Period** of the policy is amended to read as follows:

Notwithstanding the provisions of the preceding Section I, the period for reporting claims or suits shall be automatically (and without the payment of any additional premiums) extended for a period of sixty (60) days if the insurance provided by this policy is terminated by either the Syndicate or the Insured, for whatever reason, except for the Insured's nonpayment of premiums. The Automatic Extended Reporting Period shall only apply to claims first made against the Insured during the sixty (60) days following immediately upon the effective date of such termination, but only by reason of claims because of injury to which this policy applies, arising out of the rendering of or failure to render professional services by the Insured on or after the retroactive date of this policy and prior to the effective date of such termination, and subject otherwise to all of the terms, exclusions and conditions of this policy. However, this Automatic Extended Reporting Period may be of unlimited duration under the following circumstances: a) if the Insured retires permanently from the practice of medicine after attaining the age of sixty (60) years; b) the named insured has been insured by the Syndicate for at least five (5) consecutive years immediately prior to such termination; and c) the Insured has not been involved in any claim or suit during the period insured by the Syndicate. This Automatic Extended Reporting Period does not apply to claims first made against the Insured that are covered under any subsequent insurance or any other extended reporting period coverage the Insured purchased, or that would otherwise be covered under said coverages, but for exhaustion of the amount of insurance applicable to such claim.

PHYSICIANS, SURGEONS AND DENTISTS PROFESSIONAL LIABILITY INSURANCE POLICY

Under **I. Coverage Agreements**, the last paragraph, is amended to read:

The Syndicate shall have the right and duty to defend any suit against the Insured seeking damages because of injury to which this insurance applies even if any of the allegations of the suit are groundless, false or fraudulent. AMENDMENT - MEDICAL INCIDENT DEFINITION

This endorsement modifies insurance provided under the following:
PHYSICIANS, SURGEONS AND DENTISTS PROFESSIONAL LIABILITY INSURANCE POLICY

It is hereby understood and agreed that the "medical incident" definition of section VII. Definitions is replaced by the following:

"medical incident" means any act or omission:

- (1) under Coverage A - Individual Professional Liability - (a) in the furnishing of professional medical or dental services by the Insured, any employee of the Insured, or any person acting under the personal direction, control or supervision of the Insured, or (b) in the service by the Insured as a member of a formal accreditation, standards reviews or similar professionals board or committee.
- (2) under Coverage B - Partnership Professional Liability - in the furnishing of professional medical or dental services by (a) any member, partner, officer or director or employee of the Insured, or (b) any person acting under the personal direction, control or supervision of the Insured.

All related acts, errors, or omissions (whether related logically, casually, or in any other way) in the rendering of or failure to render professional medical services or dental services to any one person (as defined by the applicable law) will be deemed one medical incident. All injury arising out of those related acts, errors, or omissions will be deemed to have resulted from one medical incident and only one Limit of Liability will apply to that one medical incident, which will be the Limit of Liability stated in the Declarations. That one medical incident will be deemed to have happened at the time of the first act, error, or omission within those related acts, errors, or omissions.

This endorsement is subject otherwise to all of the terms, exclusions and conditions of the aforementioned policy.
